December 2009

Dear Colleagues,

The African American Chamber of Commerce of Westchester and Rockland Counties, Inc. (Chamber) has entered its fourteenth-year of service to the M/WBE community in New York State. The support of the corporate community for such a young organization has been extraordinary.

The Executive Committee of the *Chamber* and I invite you to serve as a sponsor of the *Chamber's* FORTEENTH ANNIVERSARY event(s) and seminars.

As a corporate sponsor, you will work with the Chamber as it hosts informative seminars, networking events, and interact with a broad sophisticated base of businesses.

While participating as a sponsor, you are being asked to attend planning meetings, make contributions to the *Chamber's* events and lend your company name to a distinguished list of sponsors.

The Chamber was established as an independent not-for-profit agency to assist, counsel and protect the interest of African American businesses. Our mission is to preserve enterprise and to maintain and strengthen the overall economy of Westchester and Rockland Counties.

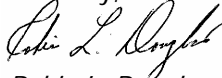

Over the past ten years, the Chamber has promoted the economic growth of black businesses, impacted M/WBE development and increased the number of firms obtaining access to the corporate community. Through our informative seminars, meetings, receptions and workshops the Chamber has forged a path for others to follow by providing support for successful joint ventures and partnerships to thrive within the majority business community.

We look forward to having you join us as a sponsor of some of this year's exciting receptions, meetings and seminars, where you will gain new exposure and loyalty within one of New York State's most dynamic segments of the consumer market.

Should you have any questions about the content of the sponsor's package or require additional information about the Chamber, please call me at 914-699-9050.

I look forward to your participation.

Sincerely,

Robin L. Douglas
President/CEO/Founder
